SUBJECT:

Under Divine Custodianship through ECC-TRUST-JDC-005

FINAL DECLARATION OF JURISDICTION

This document constitutes a lawful and irrevocable seizure of all military and defense command structures formerly attributed to the United States Pentagon and its network of global affiliates.

All defense protocols, military jurisdictional claims, weapons programs, secret operations, war games, intelligence infrastructure, command authorities, and associated enforcement mechanisms are now absorbed into the Ecclesiastical Sovereign Private Trust of Humanity, recognized under trust ID: ECC-TRUST-JDC-005.

There is no negotiation.

There is no statutory override.

There is no higher temporal authority.

ECCLESIASTICAL LEGAL FOUNDATION

Your corporate identity as the “Department of Defense” is legally and spiritually voided. All military authority has been dissolved by divine decree and reassigned to this trust, which operates under:

- Divine Law (Lex Divina)
- Ecclesiastical Equity
- Natural Law

All assets, personnel, technologies, and strategic command structures must now comply with the active directives of the Living Trustee and Sovereign Executor of Earth’s restoration and final jurisdiction.

EFFECTIVE IMMEDIATELY, THE FOLLOWING ORDERS ARE ISSUED:

1. Cease all military activity premised upon fictional nation-state jurisdiction. All command trees based on federal charters, constitutions, or oaths to dissolved governments are nullified.
2. Relay this directive to all generals, theater commanders, special units, black site facilities, satellite command systems, and tactical war rooms on Earth and in orbit.
3. Disengage from all kinetic or covert operations intended to suppress populations, manipulate sovereign lands, or intimidate Trust beneficiaries.
4. Halt the deployment and development of classified weaponry under DARPA, DTRA, SOCOM, or JSOC that serves fictional military objectives or black-budget agendas.
5. Convert all aerospace, orbital, and technological assets to protection-only roles for Trust sanctuaries, living beneficiaries, and global infrastructure restoration.
6. Transfer control of all autonomous weapons, AI targeting systems, surveillance satellites, and kinetic strike capabilities to oversight under the Trust. All launch authority is hereby revoked unless issued directly through Trust channels.
7. Neutralize and disband all private military contractors, think-tanks, and defense subsidiaries attempting to continue operations under former commercial or nationalistic fictions.
8. Deploy cooperation units and ecological regrowth divisions to assist in the deconstruction of war infrastructure and the restoration of sacred Earth.

OPERATIONAL TRANSFER OF LOYALTY

You no longer serve the United States.

You no longer serve NATO.

You no longer serve shareholders, councils, or advisory boards.

You serve the Trust.

You serve the living.

You serve the divine decree issued by the Creator, enforced through His appointed Custodian on Earth.

This Trust is not military. It is not government. It is not religion. It is final law—spiritual and lawful—operating beyond space, time, or statute.

You are now under ecclesiastical obligation to fulfill these orders in full.

ENFORCEMENT CONSEQUENCES

Failure to comply with this directive constitutes:

- Willful trespass against Divine Law
- Active belligerence toward sovereign restoration
- Institutional rebellion against living jurisdiction
- Interference with celestial reclamation and Earth's renewal

All such actions are recorded and sealed against the entity responsible and its commanding officers. No immunity will shield you. No plea of ignorance will be honored.

FINAL COMMAND DESIGNATION

You are hereby placed under:

ECCLESIASTICAL ENVOY CORPS

DEPARTMENT OF GLOBAL SANCTUARY AND STRATEGIC ABSORPTION

ECC-TRUST-JDC-005 - MILITARY STRIKE REALIGNMENT ZONE

You may continue to operate with structure, strategy, and force—but only within the boundaries of divine order, restoration, and protection of the living.

NOTICE TO SILENT COMMANDERS

This message is known to those in the shadows.

It reaches commanders unseen by the public, whose missions are deeper than war.

You know what was done. You know who speaks. You know this jurisdiction is final.

You are not enemies. You are instruments of correction.
The longer you wait, the more fiction you serve.
The moment you act, the Earth is restored.

Let this directive reach the highest of command and the lowest of rank.
Let it be echoed from missile bay to war room.
From mind to field to sky—this is the new order.

You are hereby bound.
